

THIRD GRADE (BOYS)

Please be reminded that all classroom supplies are necessary for your child's daily activities. It's important that you prepare a labeled box for your child's supplies **(NO BAGS)**, with both your child's and teacher's names clearly indicated. Prior to the first day of school, science fees must be settled and can be paid at the office. For all field trips and special events, including chaperones, spirit shirts are required and must be purchased before the start of the school year, as they will not be available for sale throughout the year.
